Alliance for Finance and
Emerging Technologies

Finance Loop is a professional community and has the goal of driving the adoption of emerging technologies in finance, such as blockchains, digital assets, and AI. We support our members to learn relevant skills, adopt new technologies, and grow in the areas of finance, payments, investment, and asset management.

You benefit from direct exposure to industry leaders, high-value networks, and relevant knowledge so you can grow your expertise and open new opportunities.

Finance Loop believes that technology adoption in finance is a continuous process that requires regulatory clarity and compliant solutions. The regional focus is Europe, with Finance Loop having a focus on Germany. More than 4,000 members are connected to this professional community.

Meetup Sponsor

Finance Loop is carrying out in-person meetups concerning emerging technologies in finance, often in Frankfurt or other locations throughout Germany and Europe. The speakers and the content of the community events are defined by Finance Loop in advance. The target audiences are professionals working in finance, asset management, investment, or digital assets. Meetups may have several sponsors and can take as side events to known conferences. Several non-competing sponsors might join a meetup.

As a Meetup Sponsor, you **sponsor a pre-defined in-person meetup** and have a **presentation slot of up to 20 minutes**. Your company will be featured on the event invitation and during the event using your logo, including promotion on social media. You will get access to the participation list. Venue rent, drinks, and snacks are included.

Price per Meetup: 3000€ net

Optional add-ons:

- live broadcasting to the Internet: +2000€ (optional)
- video recording and its promotion: +2000€ (optional)
- pizza delivery & plates: +750€ (optional)

Webinar Sponsor

Finance Loop is conducting virtual events and online workshops with the goal to educate the community about trending topics in the field of digital assets and blockchain solutions. Finance Loop organizes the event for you and invites your target audience in finance, asset management, or digital assets.

As a Webinar Sponsor, you sponsor a pre-defined online webinar and you help to set its agenda. Your company will be featured on the event invitation and during the event using your logo, including promotion on social media. You will get access to the participation list.

Price per Webinar: 2500€ net
